LEADER'S OUTING

We had an awesome time together at this year's Leader's Outing. We jumped in a mini van and road tripped down to Lakes Ranch in Rotorua. The weather was stunning! We had some awesome bible discussions on how to draw near to God and how to avoid some temptations of this day and age. We all grew together as a team and in our faith and love for Jesus!

HORSES GRAZING

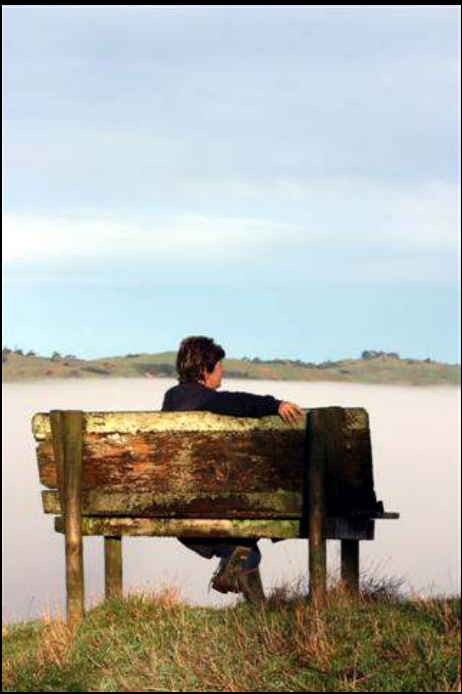

Gerald and Sharon have been flat out every day working hard to feed the Sonrise Family. They weren't able to find grazing for 30 horses this winter and the grass has come to an end. A big truck and trailer load of haylage has just been delivered. If you can donate towards feed in any way please make contact with Sonrise.

WEANING THE FOALS

We've had Louise Sinclair with us this month to help with the weaning. Louise is pictured here with Emma teaching the foals to have their first hoof trim. The foals were also trained to be halter broken, to lead, be covered, oral drenched, and of course have the humans up close and personal.

Milly (right) has been sent out with the babies to a far away land (paddock) to baby sit them while they learn their life skills before becoming part of the Sonrise team in a couple of years. At weaning, Milly is responsible for teaching and disciplining the young charges while in her care. Seen here is Gospel, Glacier, Gidget, Giovanni and Gucci.

MIST ON SPY HILL

Recently the mist on spy hill was an awesome sight to see. A blanket of white flooded the land as we looked down, marvelling at God's creation.

UP AND COMING EVENTS!!

We have a busy couple of months ahead as we get ready for the Spring camps. In September we are running an adventure camp. In October we have our Leadership training, Spring Holiday Camp and our 10 Year Reunion camp.

We have some great speakers lined up for these camps including Lew Meyer, Al Ronberg, Steve Dunne and Andrew Milllar. It will be great seeing some of our old friends once again at the Sunrise 10 year reunion camp at Labour weekend!

PRAYER NEEDS:

For funding to move the new trust building to the trust block - For God to strengthen the foundations he has set in the lives of the campers over the winter period - Horses and Animals would have enough feed to last through the winter - Safety on the farm while feeding out - Safety for the young horses and mares at the Onewhero Grazing block (40mins from Glen Murray) - That the spring and summer camps would be full - For the camp speakers in preparation for their talks.
