Hi there

Sonrise Station is a Christian charitable trust operating on the working sheep and beef farm owned by Sharon & Gerald Fieten. Sonrise Station operates youth horse camps year round on the property as well as operating its own horse breeding and training operation.

We are seeking individuals that have horse riding and handling experiences. Who are able to work safely and independently and who have a connection and understanding of the behavior of young, unhandled and shy horses.

You must also be able to work well as a team and connect well with others, especially teenagers, which will also be working alongside you from time to time.

Sonrise is located 1 hour south of Auckland City and is 35 mins drive from the nearest town.

Your own transport is helpful for you but not essential.

Please let us know if you need to be collected from the airport.

About the job

- The job is in exchange for food and board.
- There will be a 2 week trial period to ensure that you like the job and that you are able to cope with the challenges it brings.
